

# Memorials at Sea

For southern California families, many special moments, summer days and sunset walks happen at the beach. The Pacific Ocean is the backdrop for so many treasured memories. The sea also can be the perfect setting for a final send-off, memorial or scattering. At O'Connor Mortuary we have partnered with local captains to offer cultivated, unique, and beautiful Memorials at Sea.

This selection of boats includes a catamaran, an historic sailing schooner, luxurious yachts, and fishing boats. Boats can accommodate groups of 1-125. All boats are USCG certified and staffed with licensed, professional, and experienced crew members. On the reverse side you can see details and select the perfect ship for your ceremony.
